Introduction

A practical example :
Fedex integration

A practical example : FedEx integration

" *I'm a book vendor and to speed up the shipment process I decide to use the FedEx connector to be able to select the method I want, to send all the informations the shipper needs from my Odoo Instance and to be able to follow every step easily.* "

Mallie Johnny, CEO of Be Book

odoo

Shipping Provider Connector

✔ Fully integrated in every step of the sale, from A to Z

✔ No more duplicated information between Odoo and the shipping provider

✔ Easy to use, as transparent as possible

✔ Selection between multiple rate / shipping provider

QUOTE

" *A true leader is a person whose influence inspires people to do what is expected of them to do. You cease to be a leader when you manipulate with your egos instead of convincing by your inspirations.* "
