

iPhoto for iOS

UI Progression and Animation Design

Session 243

Randy Ubillos

Chief Architect Photo and Video Applications

Sam Roberts

Senior UI and Visual Designer

These are confidential sessions—please refrain from streaming, blogging, or taking pictures

UI Progression

Exposure

Exposure

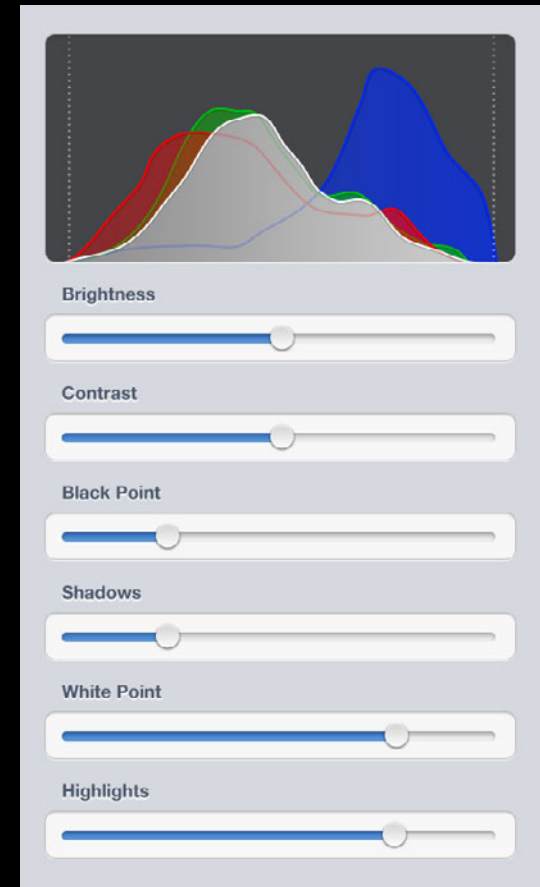

What's important?

- Brightness
- Contrast
- Black Point
- Shadow Recovery
- White Point
- Highlight Recovery
- Histogram
- Clipping Indication

Exposure

The simple solution—lots of sliders

- Brightness
- Contrast
- Black Point
- Shadow Recovery
- White Point
- Histogram
- Clipping Indication
