Foundation of Society

*“The **information** of the people at large can alone make them safe, as they are the sole depository of our political and religious freedom.”*

—Thomas Jefferson to William Duane, 1810

*“I look to the **diffusion of light** and education as the resource most to be relied on for ameliorating the conditions, promoting the virtue and advancing the happiness of man”*

—Thomas Jefferson to Cornelius Blatchy, 1822
