The screenshot shows a web browser window titled "Valo Theme Test" with the URL "demo.vaadin.com/valo-theme/#!common". The main content area displays several UI components:

- Loading Indicator**: A section with a title and a note: "You can test the loading indicator by pressing the button below." Below it is a button labeled "Show the loading indicator for..." with three options: 0.8, 3, and 15 seconds.
- Spinner**: A section with a note: "The theme also provides a mixin that you can use in your application. The button below reveals which the spinner mixin is added." Below it is a button labeled "Show spinner".
- Notifications**: A section with a title "Title" and a button labeled "Notification Title".
- Date Fields**: A section with a date input field showing "123".

The left sidebar lists other components:

- Vaadin Valo Theme
- Lorem Ipsum dolor
- Common UI E...
- Components 13
- Labels
- Buttons & Links
- Text Fields
- Date Fields

The right sidebar lists additional components:

- Color Pickers
- Menu Bars
- Trees
- Tables
- Drag and Drop
- Containers 5
- Panels
- Split Panels
- Tabs 123
- Accordions

The screenshot shows a web-based application titled "Valo Theme Test" running on "demo.vaadin.com/valo-theme/#!tables". The left sidebar lists various UI components with icons: Color Pickers, Menu Bars, Trees, Tables (selected), Drag and Drop, Containers (5), Panels, Split Panels, Tabs (with a 123 badge), and Accordions. The main content area has a large title "Tables" and a configuration section for table properties. It includes checkboxes for "Hierarchical", "Footer", "Horizontal lines" (which is checked), "Borderless", "Row caption", "Row icon", and "S". Below this is a preview of a table with rows containing placeholder text and icons.

	caption	icon
Lorem ipsum	MICROPHONE	
Consectetur quid	CHEVRON	
Eu fugiat	CHEVRON	
Ipsum dolor	CHILD	
Quid securi	CIRCLE	
Fugiat nulla	CIRCLE	

The screenshot displays a web browser window for the 'Valo Theme Test' page at [demo.vaadin.com/valo...](http://demo.vaadin.com/valo/). The browser's top bar includes tabs for 'Compact', 'Small', and 'Row index'. A toolbar with icons for back, forward, search, and refresh is visible. The main content area features a blue header bar with the text 'Vaadin Valo Theme'. Below this, a navigation bar has 'Theme' and 'Default' buttons, with 'Default' being the active one. The page content shows several examples of sliders:

- No indicator:** A simple horizontal slider with no tick marks or labels.
- With ticks (not in IE8 & IE9):** A horizontal slider with major tick marks and labels.
- Vertical:** A vertical slider with a blue track and a white handle.
- Vertical, sized:** A vertical slider with a blue track and a white handle, where the track height is explicitly defined.
- Custom handle:** A vertical slider with a dark grey/black circular handle.
- Toggle imitation:** A button-like element with a magnifying glass icon, labeled 'Toggle imitation'.

OSC Enquiry System (TNT) Logistics

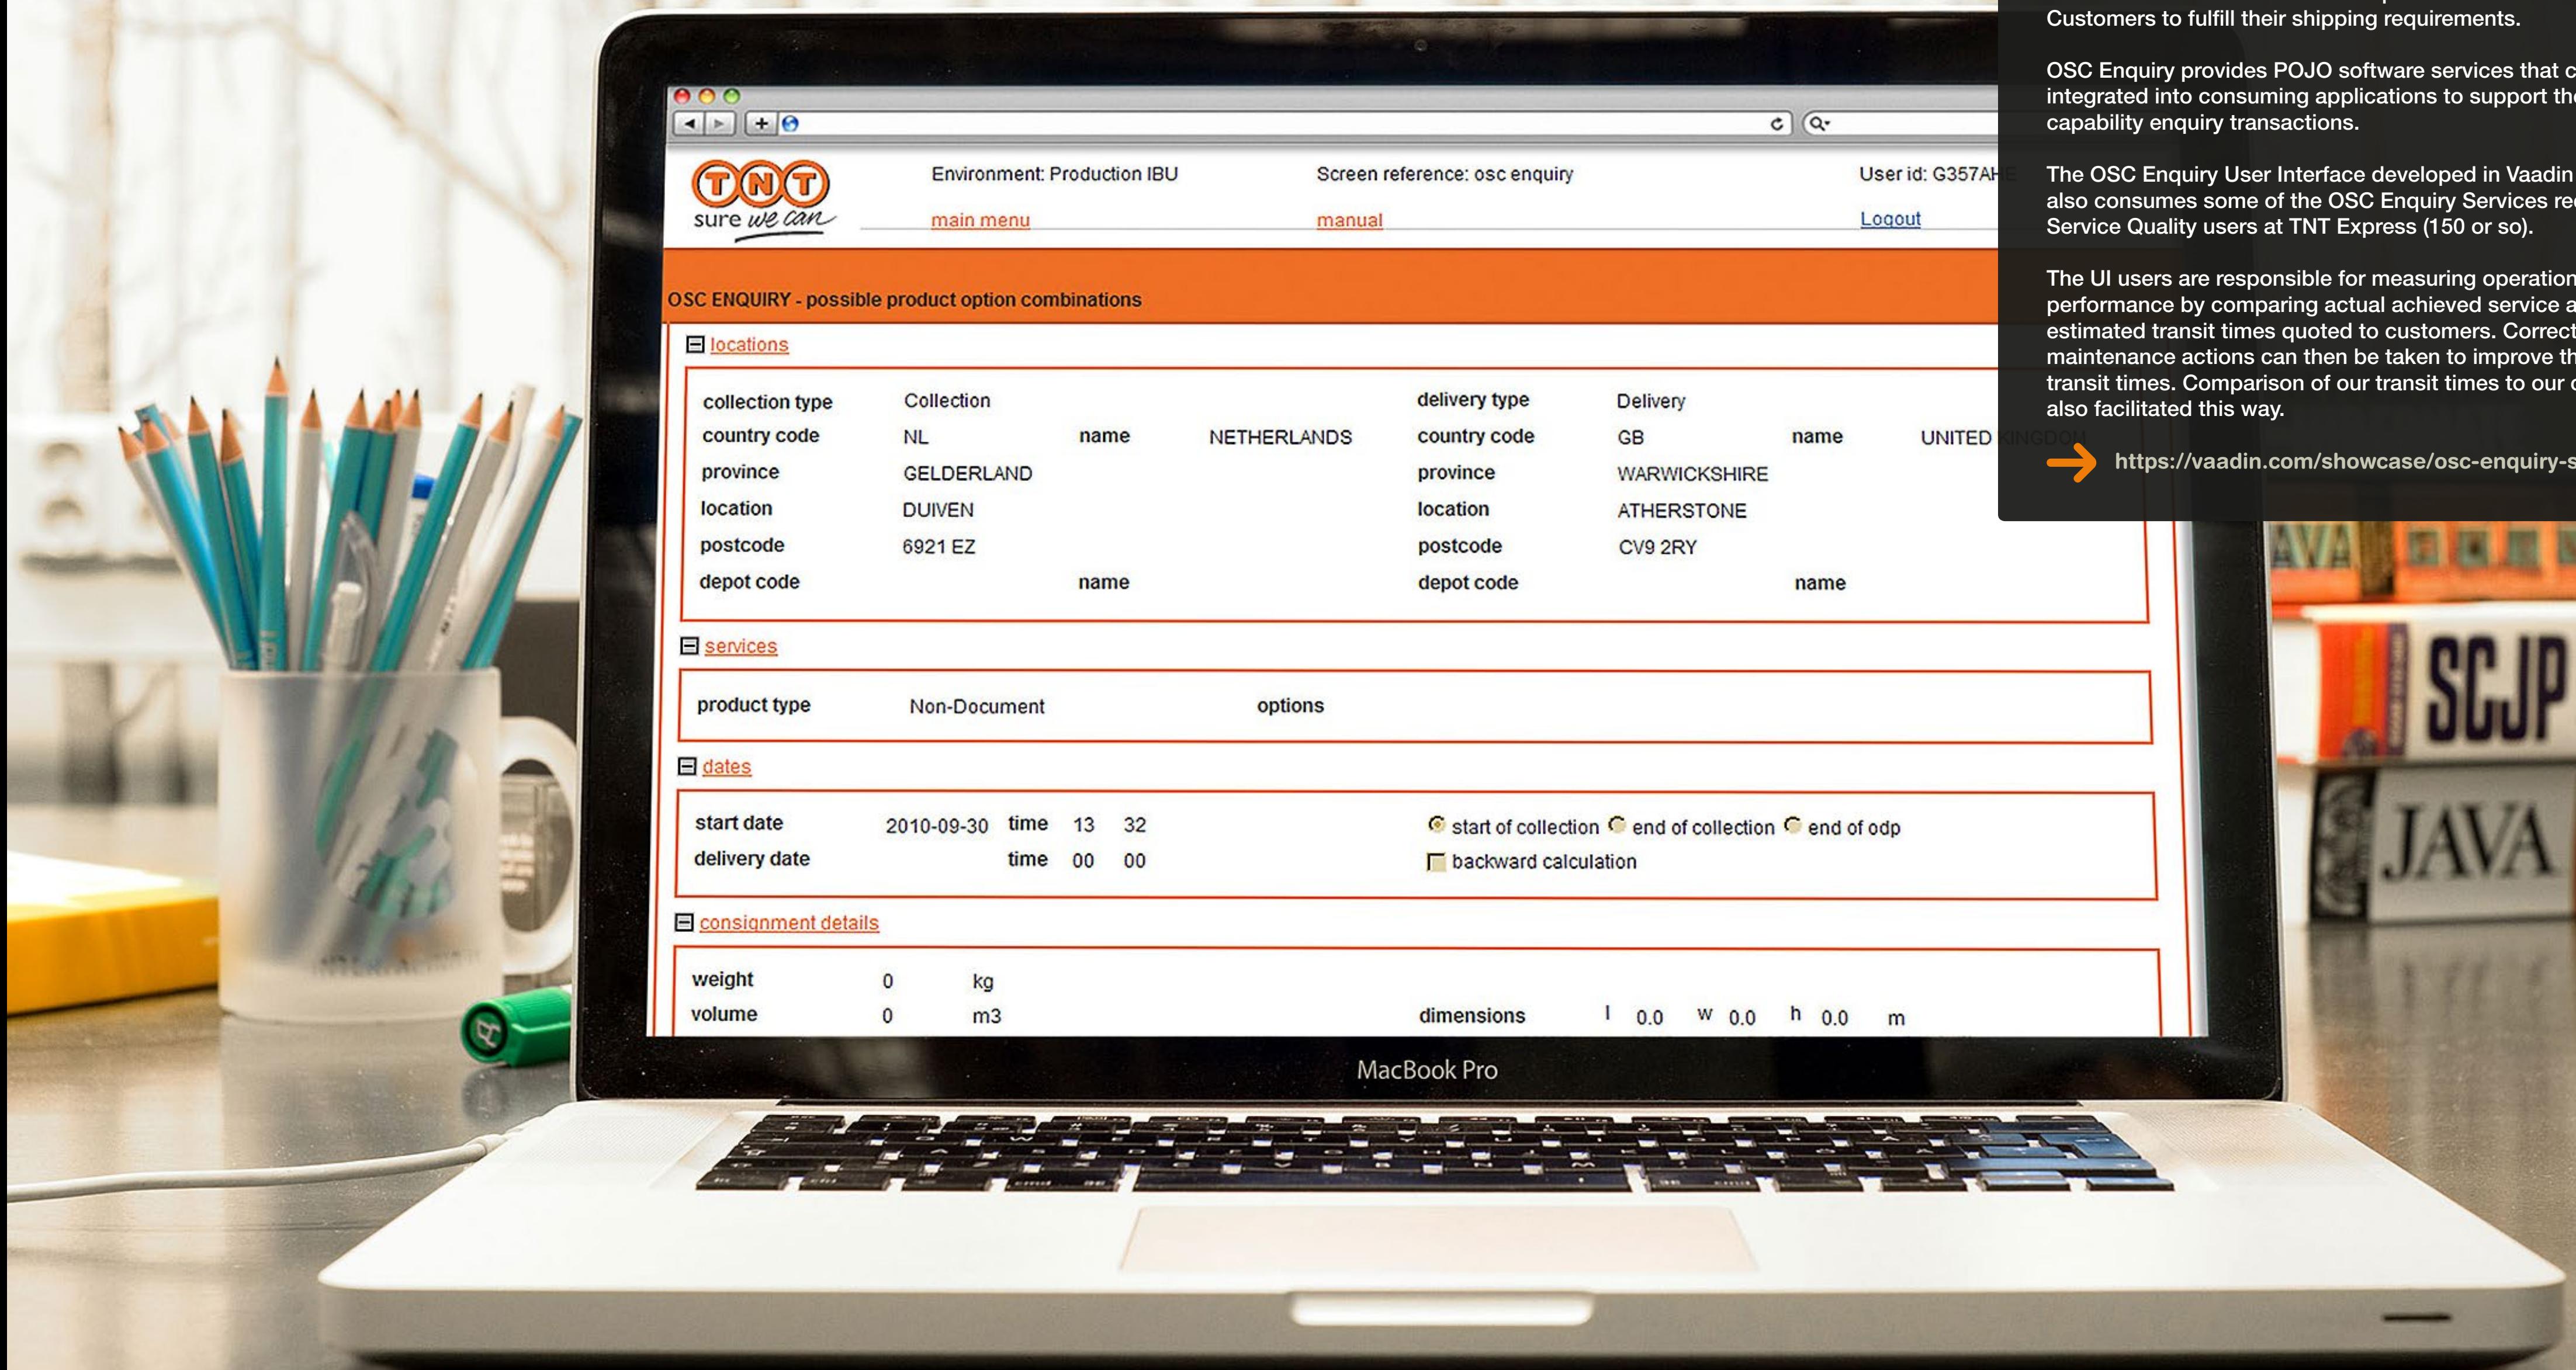

OSC (Operational Service Capabilities) Enquiry provides a single source for obtaining operational 'door-to-door' service capabilities for all international and domestic products sold to TNT Express Customers to fulfill their shipping requirements.

OSC Enquiry provides POJO software services that can be integrated into consuming applications to support their service capability enquiry transactions.

The OSC Enquiry User Interface developed in Vaadin technology also consumes some of the OSC Enquiry Services required by the Service Quality users at TNT Express (150 or so).

The UI users are responsible for measuring operational service performance by comparing actual achieved service against estimated transit times quoted to customers. Corrective maintenance actions can then be taken to improve the published transit times. Comparison of our transit times to our competitors' is also facilitated this way.
