CLONE FINISH(...)
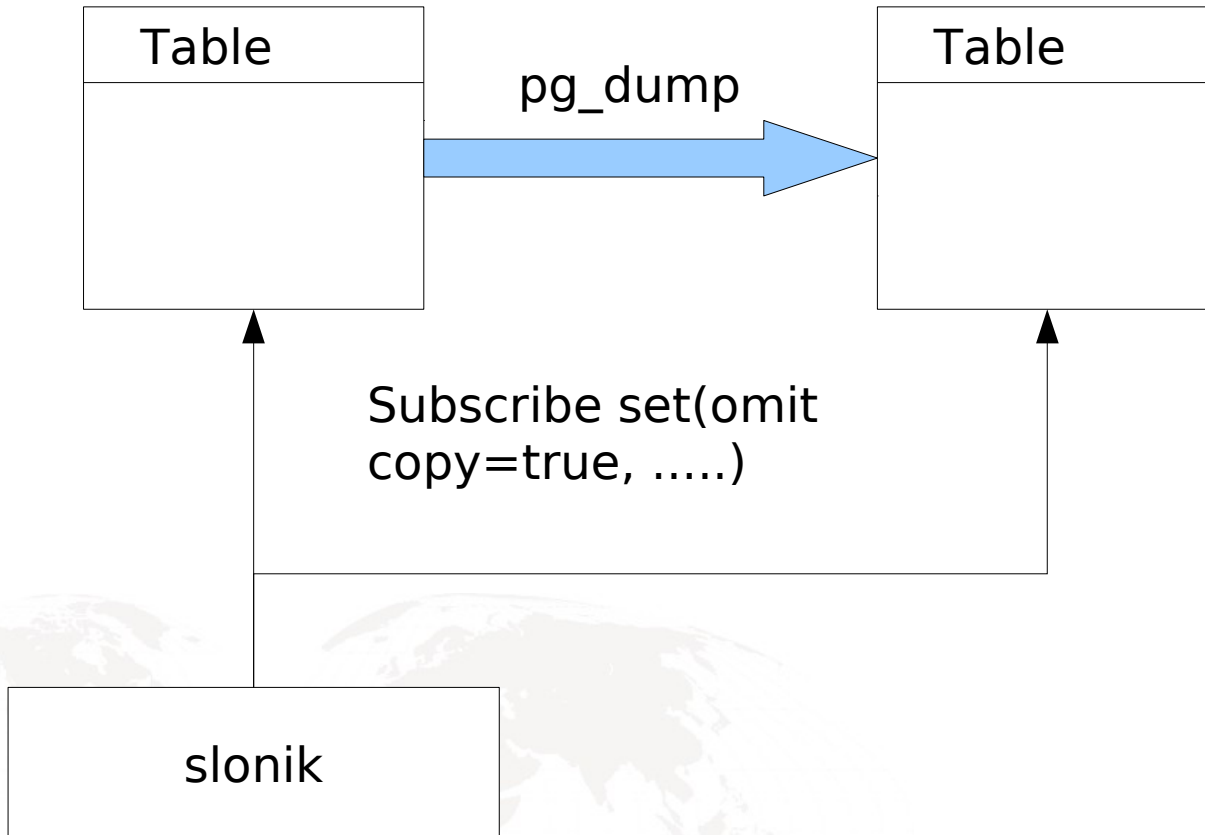

# 2.0 Timeline

- 2.0.2 – released 2009, many bugs fixed since

- 2.0.3 – released April 2010, regressions, not recommended

- Currently testing.  2.0.4 - soon?

- Plan at Afilias is to start rolling slony 2.0.x into production in the fall

# 2.1

- COPY protocol for data transfer?
- TRUNCATE support?
- DDL triggers?
- Better command language?
