Modern Childhood

Four out of five children can not tell when they are talking to an adult posing as a child on the Internet.

-- Science Daily, June 2, 2010

More young people know how to play a computer game (**58%**) than ride a bike unaided (**52%**).

-- Biz Report, Jan. 20, 2011

Over two-thirds (**69%**) of 2-5 year olds can operate a computer mouse - just (**17%**) can tie their own shoelaces.

-- Biz Report, Jan. 20, 2011

More than a quarter of young people have been involved in sexting in some form.

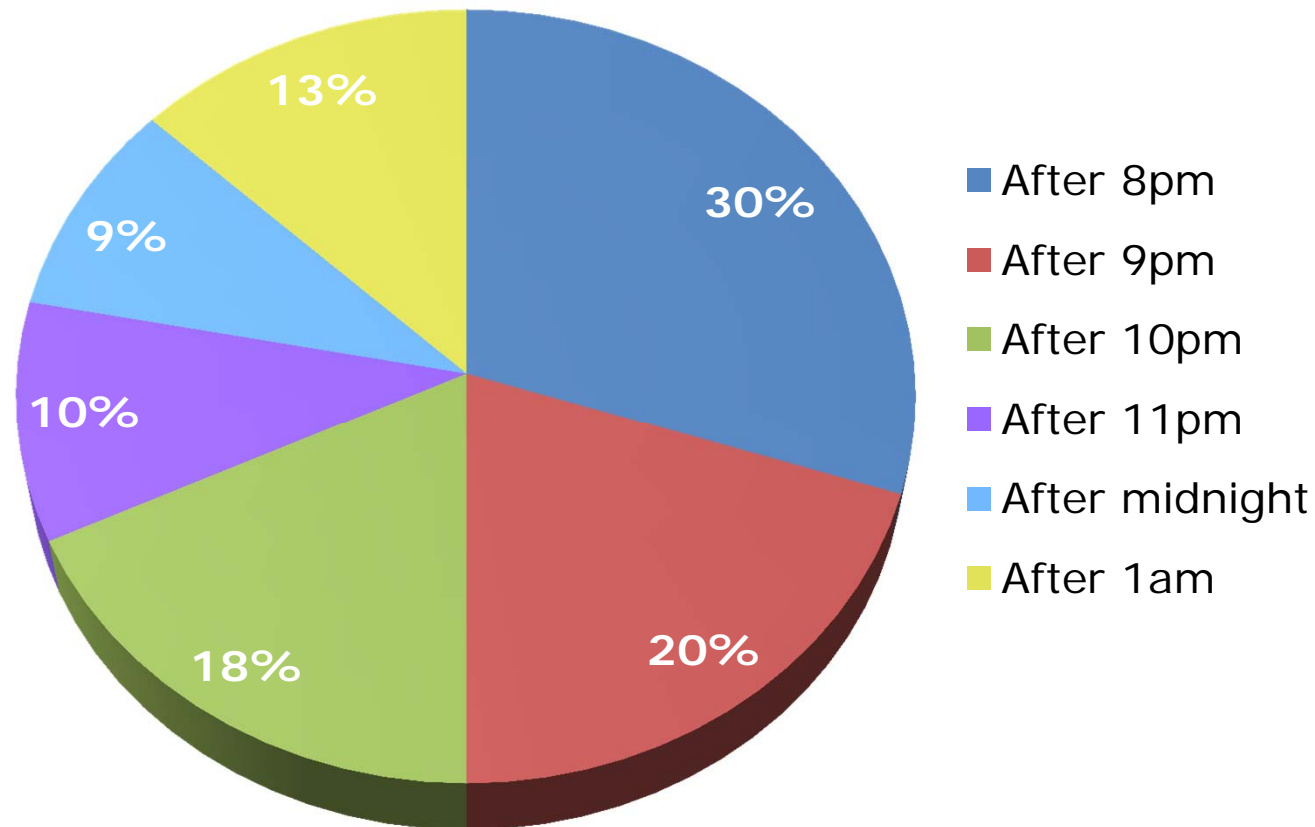

-- Associated Press, Dec. 3, 2010

20% of middle-school students admitted to “seriously thinking about attempting **suicide**” as a result of online bullying.

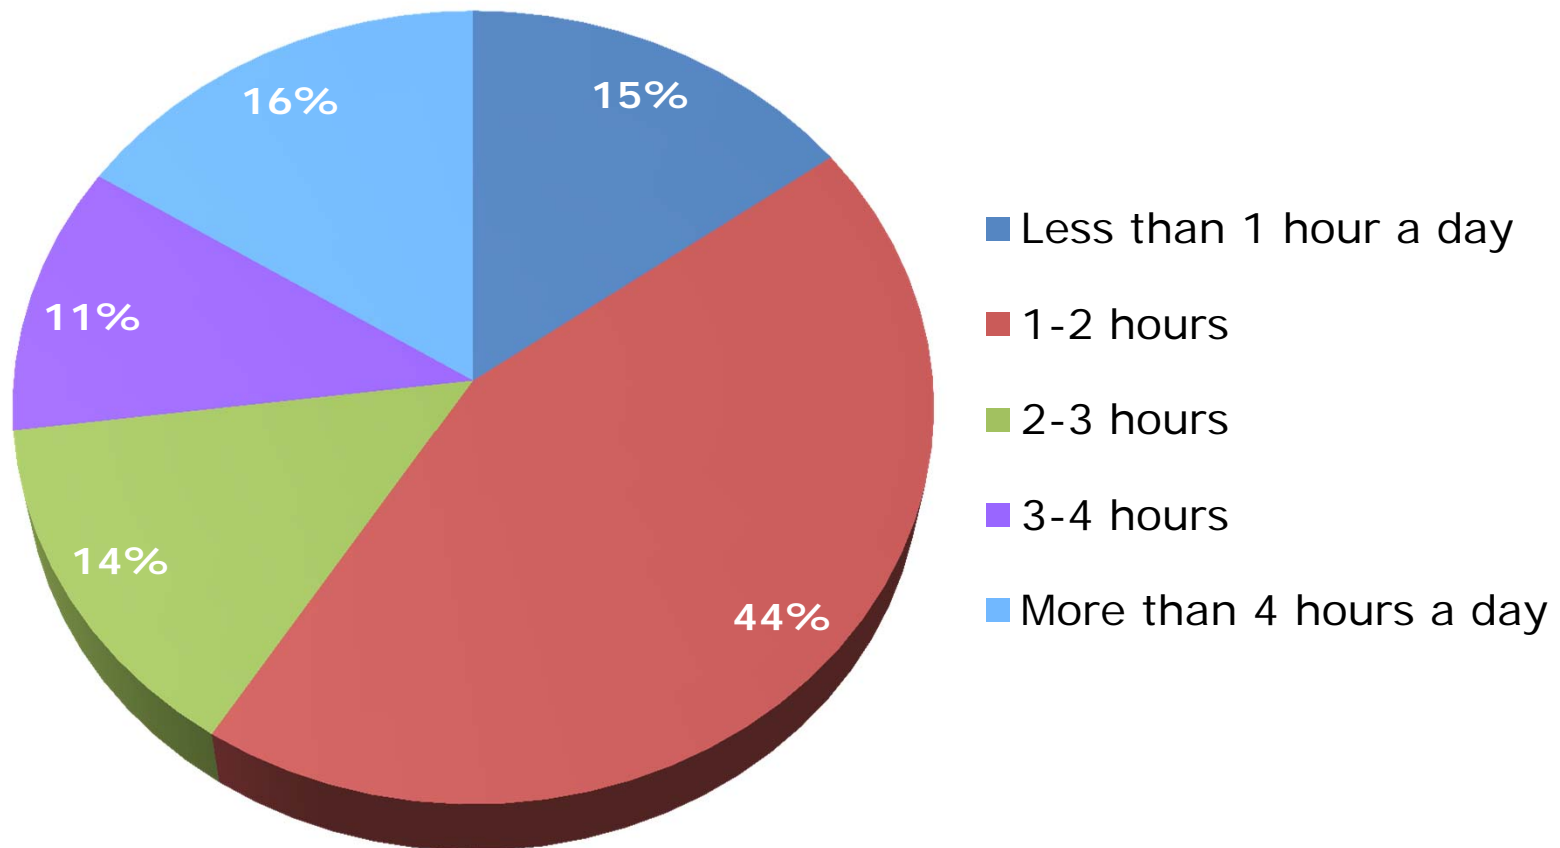

-- MSNBC, Mar. 9, 2011

What is the latest you have been online on a school night?

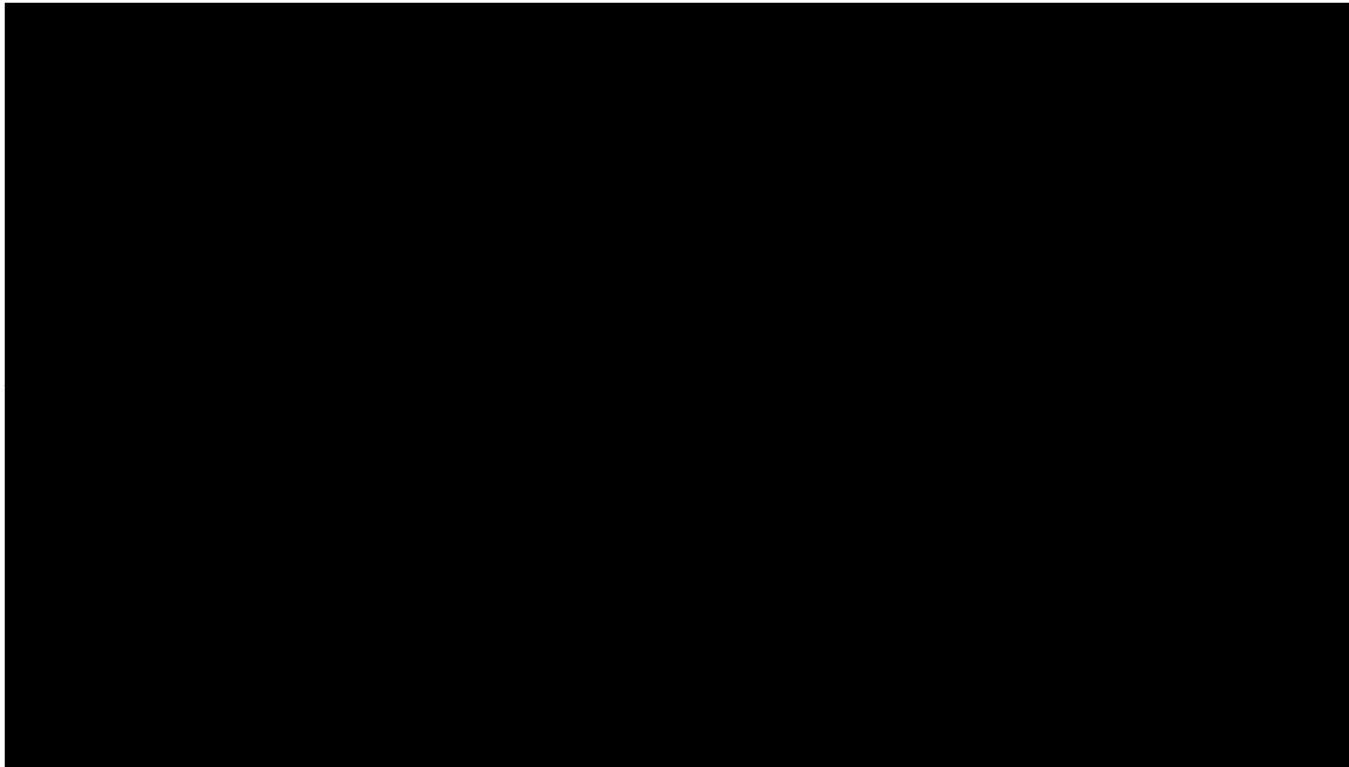

If you use the Internet how many hours do you use it for?

7-10 and 11-14 Year Old Presentations

Online Gaming

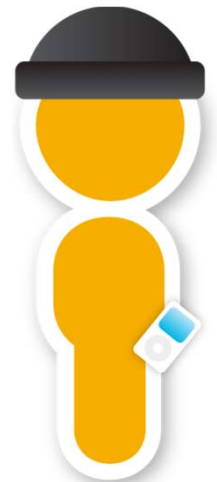

KNOW YOUR WORLD:

WHO WE MEET - PETER'S STORY

- Peter often goes plays games online with people from a range of countries.
 - One particular contact (*Rocker2011*) is often online and they often chat away from the game on IM.
 - In their discussions *Rocker2011* tells Peter that they are both going to the same concert over the summer and wants to make sure they meet up and asks him how they will recognize each other...
- **What are your thoughts about this situation?**

Program Impact

"The Safe and Secure Online initiative is an outstanding program that engages kids and helps them to recognize the potential dangers on the Internet. It's the best program I've ever seen in all my years of teaching."

-- Feedback from teacher

"I now know not to trust as many websites."

-- 14 year old student

"It gave us a lot of good information and told us that we should think before we do something on the Internet...The film helped me understand as it showed reality, and that it might be happening to you."

-- 12 year old student

Get Involved

- **Volunteer**
 - **Make a difference in your community by becoming a Safe and Secure Online volunteer today!**
- **Request a presentation**
 - **Arm your community with the knowledge to be a good digital citizen!**
- **Funding Partners**
 - **Charitable donations support volunteer recruitment and training, global expansion and consumer outreach.**
