A close-up photograph of a hand with fingers slightly curled, touching a surface that appears to be a screen. The background is a soft, out-of-focus blue and white, suggesting a digital or office environment. A dark, semi-transparent horizontal band is overlaid across the middle of the image, containing white text.

A large, weathered wooden barrel with metal hoops is partially submerged in water. Water is splashing and spraying around the barrel, creating a dynamic and somewhat chaotic scene. The barrel appears to be made of dark wood and has several metal bands wrapped around it. The water is white and frothy from the splashing, contrasting with the dark background.
